ADULT Volunteer Agreement

Boy Scouts of America, San Diego–Imperial Council June 25 to 29, 2018

The service of _____ (print name) Unit No. _____

Phone #: _____ OK to text? ___ yes ___ no

Email: _____

I agree to serve in the position of _____ together with such other duties as may be necessary, for Rancho Mesa District Cub Scout day camp during the dates shown above.

I further agree to serve as a volunteer, in a manner consistent with the Cub Scout Promise and the Law of the Pack, and national standards for Cub Scout day camping. I also agree to the terms below:

The scope of the staff member's interest should be larger than the particular job. The position assigned, while being the staff member's chief duty is only a part of the member's interest and responsibility. The carrying out of the entire objective and program of camp and the Boy Scouts of America is expected of staff member and s/he will be expected to participate in all of the camp activities and endeavors.

The first interest of every staff member is CAMPER. The camp exists and operates for them. In Scouting, we deal through volunteer leaders, and the camp staff supplements them, taking from their shoulders the burden of tedious administrative details, strengthening their leadership and supporting them in their dealings with the Scouts and other children.

Staff T-shirts will be provided and staff members will be required to wear the official camp uniform as prescribed by the Camp Director. The staff member will wear the uniform while on duty. Neatness and cleanliness in person is a fundamental obligation.

A staff member's personal conduct both in and out of camp that may interfere with camp morale or undesirably influence the opinion of the camp neighbors renders the staff member useless for further service.

All cars are to be parked in a designated parking lot and to be left there while staff members are in camp. Please back into the parking space in case of an emergency exit.
